La COPPA CITTA' DI VENEZIA ALL'ITALIA

C, scoiato, domina e vince

La drammatica e durissima tappa LUGNON-PAU

in cui BRAMBILLA conquista l'50" su VETRO

Il piccolo bretone fugge su primo colpo, braccato da BRAMBILLA e CAMELLINI, che nel finale accusano però lo sforzo e taglia il traguardo con 11' di vantaggio - VIETTO e RONCONI che all'inizio hanno condotto una gara di attesa, sull'Anbique superano Camellini, riprendono Brambilla e disputano la volata a Pau nel ordine, seguiti da Fachleitner, Brambilla e Goldschmidt - Oggi si corre la Pau-Bordeaux

STORIEZZE

d'un Giro massacrante

(da uno dei molti involti) **P.A.U.**, 13. Non dove star bene Vietto, non non dice parola, e insieme con Vietto: non solo non aveva neanche l'idea di fare una discesa, ma anche Brambilla e alle sue spalle, si era disamorato. Ronconi, invece, si era messo a correre, ma non aveva mai fatto un colpo di mano. Vietto, si era messo a correre, ma non aveva mai fatto un colpo di mano. Vietto, si era messo a correre, ma non aveva mai fatto un colpo di mano.
